Merry Christmas
FROM THE CLASS OF 85

R E S O L U T I O N

WHEREAS, The long hours of sweat and sacrifice given in the hopes of success have paid off for the La Poynor High School basketball team, the "Flyers," which clinched the 1985 Class A state championship by defeating the Nazareth Swifts 47-43; and

WHEREAS, This is the Flyers' fourth Class A boys basketball state championship, having also dominated the hoop in 1972, 1973, and 1975; and

WHEREAS, The success of the team was dependent on all involved: the players, Kerry Pettie, Paul Devore, Key Cumby, Curtis Steger, Randy Hurd, Kelvin Street, Daryl Street, Michael Warren, Lannis Young, Roland Alsobrook, and Eddie Pace; the student managers, Anthony Henderson and Brian Dunklin; and the coaches, Carl Dunklin and his assistant Elzie Suell; and

WHEREAS, The Flyers finished the season with 31 victories and only six losses, which included a 24-game winning streak; and

WHEREAS, The citizens of LaRue and Poynor are justly proud of the outstanding achievements of the La Poynor Flyers, and it is indeed appropriate that the Texas House of Representatives bestow special recognition on the team and coaches; now, therefore, be it

RESOLVED, That the House of Representatives of the 69th Texas Legislature hereby congratulate the players, managers, and coaches of the La Poynor Flyers on winning the UIL Class A state championship and offer best wishes for future success; and, be it further

RESOLVED, That official copies of this resolution be prepared for all members of the team and for prominent display in La Poynor High School as a token of esteem from the Texas House of Representatives.

Attn: Mr. Bob Barrett, Superintendent

Dear Superintendent Barrett,

The Board of Directors of the Southwest Basketball Officials Association is very pleased to inform you that LaPoyner High School has been selected to receive the Horlen-Neely Sportsmanship Award for the 1984-85 Basketball season.

This award is so named to perpetuate the memory of two of our officials who tragically lost their lives returning home from officiating a basketball game. The award is presented annually to the High School in each UIL Conference which best exemplifies good sportsmanship.

The LaPoyner High School Boys Basketball team was selected for this honor because of the outstanding sportsmanship displayed by the players, coaches, students and fans during the 1984-85 season.

We would like to make this presentation to your school at the earliest opportunity. It is felt that it would be appropriate to make the presentation at a school assembly, PTA or Booster Club meeting or at any other appropriate time and place.

This Board will send a representative to make the presentation at the time and place you select. Please inform me as to your wishes in this matter.

If you have any questions please do not hesitate to contact me.

Thank you.

Sincerely,

Dotson G. Lewis
Executive Director SOA

DEDICATION

In 1985 we choose to dedicate our yearbook to a man who has dedicated his life to us, the students at LaPoynor High School.

John Buck Scarborough has given freely of his time to help us to achieve academically and to mature emotionally. Because he has enriched our lives, it is with fondness, friendship, and appreciation that we shall remember him forever.

ANNUAL STAFF

When our high school days are but a memory, we will have this annual to remind us of our happy high school days. The instructors of concerned teachers, the spirit of good sports, and the moulding of ideas — all blend to our high school experience. Some of these events we have preserved in this *1985 Flyer.*

Sincerely,
THE ANNUAL STAFF

You can help.

Conserving electricity and all forms of energy not only helps save our nation's precious energy resources, it helps you and your family save money. Do your part ... close windows and doors when the heating or air conditioning unit is on ... don't "graze" with the refrigerator door open ... hot water takes energy — try a shorter shower ... turn off the TV or stereo when you're through with it. Work with your family to save energy now ... you'll help assure there will be enough for everyone when you start a family of your own.
